

Period-ically Fundraising

We Need Your Help!

Because we don't have much money and we are a family with young girls, we come to this pantry because it has these (period) products we can use.

We simply can't afford them.

Did you know that 1 in 5 women miss work or school due to a lack of period supplies? We are helping to keep girls in the classroom and women on the job by eliminating "PERIOD POVERTY."

The pilot programs initiated by Renewing Dignity in two Duval County Public Schools laid the groundwork for DCPS making free menstrual health products available in all DCPS secondary Title I schools this fall. Together with our amazing partner, Feeding Northeast Florida, we have distributed over 3.7 million tampons and pads helping keep students in school and encouraging participation in sports and other activities while also supporting good mental and physical health. While we have made significant progress, our journey to assure that women menstruate with dignity is far from over.

Please Support Our Journey By Donating In Honor of
National Women's Health and Fitness Day, September 27!

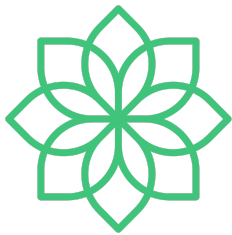

Your donations supporting the health of women, girls and all who menstruate is critical and more important now than ever as Renewing Dignity continues its work in making period supplies available for free to those in need. This is how your kind contributions help:

- \$50 - Provides period supplies for *1 student for an entire school year*
- \$100 – Provides period supplies for *20 girls for an entire month*
- \$500 – Provides period supplies for *100 women at our monthly pantry distribution*
- \$1,000 – Provides period supplies for *200 women for an entire month*
- \$2,500 - Provides period supplies for *50 after school program students for an entire school year*

Thank you for your generous donations.

All donations at the \$1,000 level and greater are recognized on our website as "Mission Partners!"

RENEWINGDIGNITY

Eliminating 'period poverty' through distribution, education and advocacy

OUR MISSION is to eliminate period poverty through direct period product distribution, education, and advocacy. We believe that unmet menstrual hygiene needs are health and safety, dignity, equity, and social justice issues.
